## Last Meeting's Highlights

Present at the Meeting

Members: 24, Guest:8, Visitor:8

The highlight of the meeting was the excellent presentation given by Dr. Françoise Mathieu who updated our club on the work and progress she and her team have been making to combat the Kashin Beck disease. It was an extremely informative presentation and showcased the strong support both the RCS and our partner clubs in Belgium have been providing to help Dr Françoise and her

team make lasting and sustainable progress. The RCS would also like to thank the Belgian Consul, Christophe Cardon, for giving time to attend the club dinner and to show his support for the ideals and values that the Kashin Beck project represents. The club is also grateful to Michel De Vrendt for his consistent support of the project and for arranging the speaker and the visit by the Belgian Consul.

The happy/sad dance was lead by our dynamic French duo Yvon and Sylvain. Their understated and sophisticated approach, reminiscent of a Coco Chanel design, seduced members and guests. They charmed the room and collected 3285 RMB. Well done and merci beaucoup to our French stars. A la prochaine!

The meeting was chaired by Tom. Dinner captain- Cliff.
